TV Quick Quotes

Q. What's changed in your game?

LEE WESTWOOD: Just clarity really, clarity on things I want to work on in my swing and short game, although I didn't need much of it today, and putting most certainly. I putted really nice today. Made some nice par putts as well as birdie putts when I needed to to keep the round going.

Q. Relegation is a big part of how. How has that shaped and motivated your game?

LEE WESTWOOD: I haven't really thought about it to be honest. Just play one round at a time, narrow it down to that, and whatever happens happens.

Q. You said Helen was absolutely impeccable last week; what's the game plan for tomorrow?

LEE WESTWOOD: I should remind her of the tuna sandwiches for tomorrow.
