Q. Obviously a second straight year you've played well here. You must like the course.

PAUL CASEY: Well, it's difficult, isn't it. I mean, it's a beautiful course. I didn't spend a lot of time on the TVs looking around, but some of the images looked stunning on TV. That drone shot with the 17th on TV, it looks spectacular with the sunlight. It's a very beautiful golf course. It's challenging.

I mean, just because the golf course is beautiful and I play it quite well, the architecture is -- we all have our opinions on it, put it that way, and Graeme, JCB CAs, it's his baby. I think it's great.

Q. Obviously Joaco has got a pretty commanding --

PAUL CASEY: What is he, 13? 14? Got me by six, and I've played well.

I mean, that's the thing. I think when you look at it and when a guy is ahead, you go, could I be there if I eliminate my mistakes. That's the one. And I couldn't. I made two bogeys yesterday. I made one today. I messed up the 3rd. When you start to look at it all, I maybe could find four shots, maybe five. But he's six. So even if I eliminate every single mistake I've made, I'm still not there. That's pretty telling. That means the guy is playing unbelievable golf. You tip the cap, don't you. It's amazing stuff.

Q. Have you had a pairing with him this year?

PAUL CASEY: I don't know. I like playing with Joaco. It's good fun. This year I don't know. I played a lot with him last year it seemed like. Yeah, he's got something special going, four wins already, looking for No. 5. New caddie on the bag. That doesn't seem to affect anything, does it.

As Johnny said, that's giving caddies a bad name. Yeah, he's that good. What can you say other than just tip your cap.
