Quick Quotes

Q. You start the weekend trying to chase down the two guys in front of you. How does that feel?

TYRRELL HATTON: Well, I mean, there's plenty of opportunities out there. You can see how good the scoring's been the first two days. It's meant to be a little bit windier tomorrow, but I still imagine the scoring is going to be pretty good. Hopefully I can play well and give myself opportunities.

Q. Can you talk a little bit about your putt on 9?

TYRRELL HATTON: Yeah, I mean, I thought I'd missed it right. I've been struggling with left-to-right putts this week. Feels like the ball's just slipping off the face. So I'm not really hitting the line I want to.

Yeah, I was a little bit surprised to see that one go in.

Q. Caleb's had a big season. Can you talk a little bit about what you've seen from him?

TYRRELL HATTON: Well, I know he changed coaches earlier this year. It looks like he's been working on some good things. I mean, he's a great player, and he's got a lot of potential. I imagine he'll go from strength to strength.

Q. You were tied for second here last year. Had you played this course before LIV, and how does the crowd impact your play when you come home?

TYRRELL HATTON: I think I was tied second two years ago.

Yeah, it's always nice to play in front of home fans. The crowd have been great so far. Always get lots of support, which is really nice.
