Quick Quotes

Q. Not much you can do about 30-under.

BRYSON DeCHAMBEAU: No. I mean, I felt like I played pretty good enough to at least give myself a chance. I thought I played pretty well. 9-under, 10-under in the final round out here, I didn't see that happening. But Tyrrell and Lucas, they're playing in a league of their own right now. I felt like I've been playing pretty good, too. I beat, I guess, fourth place by four shots, and Lucas beat top 5 by 16 shots. I don't think that's ever been done in golf history. It was quite amazing.

I wonder what the strokes gained values are from him and Tyrrell and whatnot because I definitely felt like I played better, and the breaks just didn't go my way this past week, unfortunately.

I played well the first round, then ever since then, I felt like I couldn't get anything falling my way. On 15 I hit a great putt and the wind pushed it and it came up short. I'm like, okay, things just didn't fall my way. That's a part of golf. Congrats to Lucas and Tyrrell. They played really good. I haven't seen that in a long time.

I think being 21-under par for two rounds is quite a feat.

Q. I was thinking the only other dominant performance we've had out here was you --

BRYSON DeCHAMBEAU: Was me at Greenbrier when I went 61-58.

Q. You played three rounds and then you saw three rounds as well?

BRYSON DeCHAMBEAU: Yeah, I saw those rounds, and that's what it felt like. It felt like he was just invincible. Every time we thought we had a chance he just made a putt or hit a shot in there close. That's some stellar golf. Fair play to him.
