Quick Quotes

Q. 63 and you still can't gain a stroke on the guy --

TYRRELL HATTON: Yeah, it's crazy. Yeah, from my side, I'm really happy with how I played today. I knew I needed to get off to a fast start, which I was able to do. Unfortunately for myself, Lucas played incredible golf. Yeah, he's been unbelievable all week.

As I said yesterday, he's a good frontrunner, and he proved that today by making it impossible for everyone trying to chase him down.

Q. You played the last two rounds with him; was there ever a thought, okay, here's an opening or maybe here or maybe this shot here? It seemed like you guys got any sniff of an opening he'd shut it down.

TYRRELL HATTON: Yeah, obviously he ended up doing everything right this week. Certainly today, he putted lovely. He holed a lot of putts. Unfortunately, most of them were for birdie. When you've got many birdie putts, you know you're doing something right.

I don't feel like I could have done much more, and he still won by six. Yeah, incredible week for Lucas. Hat's off to him.

Q. 1-2 in your last two starts out here. You must be feeling pretty good about your form right now?

TYRRELL HATTON: Yeah. I'm happy with my last two performances on LIV. This week playing in front of home fans, it would have been really special to win, but it wasn't to be. So yeah, attention turns to the next LIV event, and hopefully I can keep playing well.
