Quick Quotes

**Q. It's going to be you and Rahm in Chicago for the individual championship. I imagine at the start of the season you would have taken that?**

JOAQUIN NIEMANN: Yeah, it'll be great. It'll be a great exhibition for the next round. I think it brings more interest and everything to play for the last tournament of the season. I'll be looking forward to it.

**Q. You're excited just to go up against a guy of his caliber?**

JOAQUIN NIEMANN: Yeah, he's been playing great lately, so obviously he's probably going to keep doing the same. I've got to try to bring my "A" game and try to show some good golf, and hopefully it'll be enough.
