THE MODERATOR: Let's welcome Charles Howell III from Crushers GC. Well played today. You're currently tied third at 8-under par after a second round score of 6-under par 66 at LIV Golf Korea presented by Coupang Play. Could you share a few thoughts on today and how you feel about your game this week.

CHARLES HOWELL III: We had a bit of wind here. Today it made the golf course play quite difficult, especially there at the end. The golf course is wonderful. It's in fantastic shape. The support we've had of the fans coming out is awesome and great to see.

Yes, it's been a good week so far. From the weather forecast, it looks like it's going to be quite windy tomorrow. So it looks like we have a challenge ahead of us for sure.

Q. You're currently 39th in the league standings at the halfway point in the season here in Korea. Do you feel that's a fair reflection on your play so far this season, and what would a podium finish or a win mean for you tomorrow?

Obviously it's a bit of a long year. We have a lot of events left. I'm happy with where my game is at, and we'll see what the second half can bring.

Q. Crushers are currently tied second this week at 15-under par. You're looking for your first win for the team this season. Obviously Bryson is playing good golf as well. What would it take for you to get it done here in Korea?

CHARLES HOWELL III: We haven't hoisted a trophy yet here this year, so I think it would be awesome to do. I think all the guys are starting to round into form. Anirban's had a nice year. Paul's been very solid. Obviously Bryson's play
