TV Quick Quotes

Q. With Joaco after two really impressive rounds back-to-back. You said yesterday that it was nice getting over the shots, committing to them and looking up and seeing the ball going where you wanted it to go, where you sensed it going. Was today that feeling even more dependable?

JOAQUÍN NIEMANN: Yeah, definitely some really good swings out there. But yeah, happy with the round. Pretty good.

Q. At what point when you're playing like this do you start looking at the individual leaderboard?

JOAQUÍN NIEMANN: I mean, since the start probably. But there's nothing we can do; there's boards everywhere, every time what's going on. Yeah, it's just a test to yourself: Just keep doing what you're doing, keep my head down, stick to my routines and keep delivering.

Q. You're young and fit and come from a country that has some warm climates, but how much is this heat a factor into at least the mental part of the game out here?

JOAQUÍN NIEMANN: I mean, that's the end. I think it's pretty hot.
