Q. Sergio, disappointing finish, but given the wind and some of the pin positions were tough, how satisfied are you with a 4-under par round and tied for the lead?

SERGIO GARCIA: Yeah, obviously you never want to finish bogey-bogey. But the way the course was playing, obviously it was something that could happen even hitting a good shot like I did here on the last. I hit two good shots, and unfortunately the ball went a lot farther than it was supposed to and left myself a very tough chip.

I think at the end of the day, 4-under is a very good score. I would have taken it at the beginning of the day with the conditions and the wind and everything, so I'm not disappointed about that.

Q. You started the year beautifully, played well. The form dipped a little bit; do you feel your game coming back to what it was at the start of the year?

SERGIO GARCIA: Well, I've been working really hard at it, obviously. I feel like the last four or five weeks it's been better. It hasn't been to the level that I was at the beginning of the year, obviously, but I feel like it's been better. Today was a good -- like a good show of that, I guess. A lot of good shots. Made a couple nice birdie putts, but hit a lot of them close and was able to hit a lot of good shots, which is important.
