Q. I wanted to ask you about your drive at the 11th hole. It was 360-something yards, longest drive of the day. Did you realize how long it was?

DOYEOb MUN: I remember that hole. The 11th hole was actually my first at the tee box. The wind was actually in my favor, and the adrenaline really kicked in. So I remember it was a big hit. But I actually am not being maybe too modest because my teammate actually hit further than I did, although it went into the rough.

Q. What was it like to be out there in front of the home fans and playing so well today, just kind of the atmosphere of today?

DOYEOb MUN: I think the fact that I played my first tournament of LIV Golf here in my home ground was really, truly an honor. Looking at the fans, I really felt less nervous, more comfortable. I really want to thank them for coming out today.

During the next three days I'm really going to bring my "A" game and also have a lot of fun.

YOUNGHAN SONG: I remember how huge the oceans of galleries were during the Adelaide tournament. Considering we're in Busan where the people are known for being very passionate, not only am I interested in playing a good game with my team members at KGC, I'm looking forward to seeing all those passionate Busan people come out to cheer us on.
