**Q. Do you feel like you have an advantage over the rest of the field, given your experience and past results on this course?**

DOYEOb MUN: I have actually played on this field several times for tournaments, to be frank, so I'm very comfortable with the grass and the greens. So I really look forward to the next two days.

**Q. We still have 36 holes to play, but have you allowed yourself to dream about what a victory on Sunday might feel like?**

DOYEOb MUN: I've actually never imagined that I would win, but if I do, this week would definitely have been magical. So being able to actually play LIV Golf and getting a seat, that was super lucky, but also playing with all these giants, neck to neck, shoulder to shoulder, it will have been a memorable week. Let's see how I play tomorrow.
