Quick Quotes

Q. Bogey-free for the last 40 holes; that's a pretty nice accomplishment, playing your way into contention?

DUSTIN JOHNSON: Yeah, starting really Saturday of the PGA, I really felt like I actually started -- I've been really close, but actually felt really good. Even though I played really good on Sunday, I putted terribly. Played really well, drove it well. Even this week, unfortunately on Wednesday, I just got sick, and I barely made it through Thursday and Friday. It was everything I could do just to finish the rounds Thursday and Friday.

Then felt a little better yesterday and a little bit better today, but still felt like s---

But I've been really swinging really nicely and rolling the putter good, too. I hit so many good putts today that could have gone in the hole and just didn't make anything.

Q. Do you feel like this is the best that you've felt about the game in how long?

DUSTIN JOHNSON: Yeah, it's been a couple years. It's felt close, but it's like, finally I feel like it's consistent, like I'm finally driving it like I normally do. So it obviously takes a lot of pressure off the rest of your game. Now I can focus more on my wedges and my irons and chipping and putting. I was driving it so poorly, all I was focusing on was driving it because that's one of the strengths of my game. But it's nice to see the game is coming around, and it's really good.

Q. Were you aware where you sat on the leaderboard?

DUSTIN JOHNSON: Yeah, I knew I needed to hole some putts. I just couldn't hole anything. I was hitting good shots. I had good looks all day long. Just couldn't make anything.
