Quick Quotes

## Q. You hung tough all day. What's your takeaway?

SCOTT VINCENT: I think there's so many positives to take away from the week as a whole. Today didn't quite happen. But yeah, lots of credit for just hanging in there because for a while I was, like, four shots out of it. To get right back into it was exciting and fun.

I felt like I hit a lot of much better shots on the last few holes coming in, which is always encouraging because that's how you want to finish the tournament is kind of hitting some better quality shots.

I had to rely on my putter so much. I wish I didn't have to, but I'm thankful it's been working as well as it has. But yeah, like I said, lots of positives. Yeah, hopefully can just keep improving, keep getting better. To play off the first tee box three times this week was really cool.

Obviously I'm not thrilled right now, but it's a great week.

## Q. When you step back and look at the last three LIV Golf starts, it's been pretty impressive --

SCOTT VINCENT: It's been very amazing, yeah.

## Q. Do you feel like this is as good of a stretch as you've had in a while? Obviously you've won tournaments before, but how do you categorize this current stretch?

SCOTT VINCENT: Yeah, I would say it's highly up there. It's been a really fun stretch and great to play the way that I have been playing, yeah.
