## Talor Gooch

### Quick Quotes

**Q. Obviously a great effort, getting that birdie at 16 to get in a playoff. Obviously disappointed. How do you sum up the day?**

TALOR GOOCH: Yeah, I left a few out there, unfortunately, on the back nine, which was kind of frustrating, but it's a tricky golf course, and happy with how I stayed in it on the back nine and made that good putt.

Yeah, it's frustrating when you have a chance to win. That doesn't come too often in this game so you want to capitalize on it. Happy with where the game is at and where it's going.

**Q. When you got to your ball in the playoff, did you know it was going to be -- I couldn't see the lie.**

TALOR GOOCH: Yeah, you know it's going to jump. That's part of what makes this course is tricky is the greens are firm and if you're not in the fairway you're just hitting knuckle balls. It's kind of a guessing game. That's why fairways are so crucial this week.

**Q. It's obviously tough to lose, but then to see the guys play this morning, too, I'm sure that wasn't fun, either.**

TALOR GOOCH: Yeah, definitely a disappointing day overall to say the least. Hopefully we can get this day behind us quickly.
