TV Quick Quotes

Q. Henrik, fantastic round today. There's no denying there's been eyeballs on yourself and the team this week. How satisfying is it to pull these two rounds together so far?

HENRIK STENSON: Obviously very pleased. It's been a poor season by a lot of standards. Yeah, we're coming in here hanging on by a thread and we need a good tournament, so obviously happy with these first couple of days. Feel like I've managed my way around this golf course really well. We knew it was going to be a low-scoring course, so got the putter going pretty good these couple of days and made plenty of birdies. Pleased with that.

Q. What would it mean if you managed to get a podium finish, not just for yourself but for the team heading into tomorrow?

HENRIK STENSON: Yeah, that would be great. I see the other guys have been playing well also today. Yeah, I think we want to try and avoid that playoff spot on Wednesday next week, so it would be nice with a lie-in early next week.
