Quick Quotes

CAM SMITH: 14 fairway was nice. Driver felt really in control. It's obviously been probably the No. 1 thing that Claude and I have been working on. It's nice to see it coming to life.

Q. The team has had a great year. How are we leaning into the momentum and success to try and capture another team win this week?

CAM SMITH: Yeah, we're going to have to go low this week. It's obviously the Team Championship. We've won one before and won another one. It would be cool to go out this season with a bang.

Q. You had some shenanigans on 18. You were on the top of the hospitality tent. Tell us about that.

CAM SMITH: I was just trying to hit a big cut with 3-wood in there. I was kind of in between clubs and just double-crossed it. Probably the worst swing of the day. But managed to get out of there with a par.
