TV Quick Quotes

Q. Dustin, that was a solid round today. I know how much of a competitor you are. It wasn't the season you've been looking for, but you're in contention going into the weekend. What's been the biggest turnaround for you?

DUSTIN JOHNSON: I mean, I felt like I've been swinging it well, like, throughout the year. Just hadn't really put anything together. I'm starting to drive it well, and I'm hitting my irons good. The game has always been close, now just got a little more confidence in the game, and I'm playing nicely.

Q. Let's talk about the Aces; you guys have a nice healthy lead right now. You sealed up the season-long team title, but this is a completely different proposition. Does that change your mindset at all as a team?

DUSTIN JOHNSON: Yeah, obviously we've got a really good team. We've played well all year. It was nice to get the season-long victory. But still, we've got one more event left, two more days, so a lot can happen. But we're in a good position right now.

Q. You've got four very different personalities on your team; what is it like to hang out with all of you guys outside the ropes?

DUSTIN JOHNSON: I've got the easiest team. They all are really good guys. They're fun to be around. Everybody works hard, and they're all good players. It's a really fun team to be on.
