TV Quick Quotes

Q. A big weekend ahead for Richard T. Lee. How much confidence do you have in yourself after what you have accomplished this year within LIV Golf league and going down to the wire with Bryson in Singapore?

RICHARD T. LEE: Pretty good. I finally found what I was working on back at LIV Promotions, and I think my putts are going in pretty well and I'm executing my shots pretty well this week. Hopefully I can go into the weekend in the final group and be in contention and win it.

Q. You're hitting the ball as good as I've seen you hit it since LIV Golf Promotions. Does that allow you to stay as aggressive as you do?

RICHARD T. LEE: Yes, I'm pretty confident where my ball is going right now, so I'm just trying to shape the shot the way I want it and trying to put it close to the hole.

Q. Those moments between now and when you start the third round, do you reflect more on the things that are going well or the shots that you might have left out there?

RICHARD T. LEE: Definitely things going well. Just want to see the ball go in the hole, and just trying to keep that mentality the same way I was in LIV Promotions and just don't look back and go.
