TV Quick Quotes

Q. You're right in the mix where you want to be going into the final round, final event of the season. How would you assess today?

CAM SMITH: Yeah, it was pretty solid. It was pretty tricky out there, to be fair. Had to hit a lot of shots. Greens are still receptive, so felt like if you got a nice number you could be aggressive. Yeah, it was very tricky, so it was pretty good.

Q. We're getting major champ form right now. Your game in all areas is looking fantastic. How proud are you of getting into this position?

CAM SMITH: Yeah, it's starting to feel nice. I wouldn't say major championship Cameron has come out yet, but it's feeling really close. The short stuff is starting to feel really nice again, feeling really comfortable off the tee, and just need to clean up some iron stuff and I feel like I'm right there.

Still lots of hard work to do, but I'm happy where it's heading.

Q. I know how close you are to the Ripper boys. What would it mean for the individual and a team win tomorrow?

CAM SMITH: Oh, it would be unreal. It would be unreal to finish off the season like that. I know we've had a good year this year, and to finish it off with a win would be nice.
