TV Quick Quotes

Q. Michael, congratulations. You were stoke the entire day and you just took down two massive titans. How surreal is this entire experience?

MICHAEL LA SASSO: I don't even know what to say. I'm shaking if I'm being honest. It was unbelievable. I thought I played great all day and just kind of waited for my moment, and it finally came on the last. Pretty funny.

Q. We all knew the potential that you had coming into this season with us on LIV. You didn't quite have the season you wanted but you capped it off the right way. How much of this is validation for you?

MICHAEL LA SASSO: Yeah, you know, I told our social media guy last night, I said, I'll be honest, this is going to be the one I win. I spoke it into existence well before this week. The fact that it's actually come true, it's unbelievable, but yeah, I'm at a loss for words.

Q. I just saw you hugging your mom and dad, your first professional win ending in such fashion. Talk us through your emotions right now.

MICHAEL LA SASSO: I'm so glad they're here to see it. I had a bunch of buddies texting me last night asking if they should fly in, and I said I was going to win anyway, but you might as well for come for the show. So it ended up working itself out.
