Q. I've got Legion XIII here, who are the team champions confirmed for 2026. You have successfully defended your Team Championship title from last season as well. I'm sorry you didn't get it done on the individual. A quick word on that first before we launch into the team.

JON RAHM: On today or the individual?

Q. Today. I know you got the individual done for the whole year. First let's just touch on today and this week.

JON RAHM: Today I played just as good as I've felt all week; the only difference was putts were going in. It felt good all week, they just weren't dropping. They were barely missing the edge, and today for most of the day, besides the last putt, I didn't feel like I could miss. It was really fun.

Unfortunate to make a bad bogey from the middle of the fairway on the last hole, but Michael played great and he deserved it. That up-and-down on 18 showed he wanted it more, so he deserved it.

Q. There is a lot to smile about. Let's move on to the successful defense of the Team Championship. How proud are you of these guys, Legion XIII, and what you guys have accomplished this year?

JON RAHM: I think they're tired of hearing me say how proud I am of them. I think if there was ever a format change for the Team Championship that was going to benefit us, exactly having four days with four scores counting every day. It's, I think, where we're the strongest and we have been the strongest, and I'm glad we were

able to prove it one more time.

Q. Caleb, how good does it feel to have successfully completed the double and got it done back-to-back?

CALEB SURRATT: Yeah, it's pretty awesome. It's so cool seeing what Jon did this week, grinding back from a tough start, for him at least, and it's a huge testament to a lot of hard work and hard fight from our team.

Q. Tom, what will you take away moving forward from having spent the time that you have with these gentlemen and everything that you've accomplished?

TOM MCKIBBIN: Yeah, it's been great getting to spend time with these three. It's definitely made a big difference to my game and getting to play with them pretty much every time I play golf for the last two years. It's been pretty special. To do it two years in a row has been great.

Q. Tyrrell, you've accomplished a lot this year, not least becoming a dad and now having that double Team Championship. How does it feel to be standing here at the end of it all?

TYRRELL HATTON: Yeah, it's good. I think the previous two years we've won at least three times, and obviously winning today means that we've won three times again. Yeah, it was a good week for the team. It's been a good year. Yeah, it's always nice to win.

Q. I also have to inform you guys that you are officially the winningest team on LIV with this victory, so congratulations to that. I said there was a lot to get through. You also did the double being the individual season long champion; how does that feel to sit back and look back on all of those accolades?

JON RAHM: Well, there was a lot less pressure individually when it came to this week. I was mainly focused on the team and getting the team win. So relaxing in that aspect. The last few years, I've gone to the last event kind of down to the wire, and it was a bit more of a
