Michael La Sasso

Trophy Ceremony Interview

Q. What was your mentality today with that one-stroke lead, and how were you able to get this done?

MICHAEL LA SASSO: Yeah, I really just thought about I wanted to come out here and put on a show and do the best I can. I kind of saw him trying to track me down there through the middle of the round, and I just was like, if I believe in myself and do the best I can, we'll see what the result brings.

Q. You were able to get it done. How does it feel? What do you want to say to Indianapolis who was out here cheering you on?

MICHAEL LA SASSO: Yeah, the crowds were unbelievable. I can't thank the course enough. I think it was a great shape with everything they got and the hospitality this week was second to none. It was unbelievable.
