Quick Quotes

LAURIE CANTER: That was impressive. Yeah, I knew he was a good player, but he's had no form, and he's a killer, isn't he. He knows where it's going. I love it. I think he's great. I think he's going to be great for golf. I think he's a proper player.

Q. Will you start wearing a gold chain for luck now?

LAURIE CANTER: Yeah, I do all the time (laughing). You've got to be what you are. I think he's great. I like him.

Q. Do you feel like you were seeing a guy almost growing up in front of you today?

LAURIE CANTER: He's so relaxed. He's joking and messing about going up 13. He had a fair bit to play for today in my mind. He's got to play for his card, but he was obviously going to win the golf tournament, and I think that's great to see someone be that good, honestly. He's got loads of things he can improve in his game, but I liked his head space.

Q. Did you detect any nerves out there?

LAURIE CANTER: Feral. He asked me if I was nervous on 17. I said, yeah, I'm a bit nervous. We had a nice group going. Fair play, yeah.
