TEAM CHAMPIONSHIP

Q. I know you didn't want to be playing for the fifth spot today, but you guys, 15-under, the lowest total of any team today. That has to be a satisfying finish to not the best week.

LOUIS OOSTHUIZEN: It's satisfying and it's a big sting, like knowing if we would have played in the final four we would have won the whole thing. But yeah, we played really well. Like I say, we came in here ready and felt that our game was good, and Branden showed today that he's making a turn, and hopefully he can keep going.

Q. He's had a tough season and he was beginning to find form in recent weeks. 7-under today; how good is that given the conditions on this course?

LOUIS OOSTHUIZEN: For sure. I mean, 7-under is a great score. I thought 4- or 5-under is going to be really good, and then to see him -- I played with Sergio and played brilliant, shot 6-under, and then to see Branden up there and Charl, 6-under, was remarkable.

Q. Bitter but sweet, great way to finish, and now you look ahead to next year?

LOUIS OOSTHUIZEN: Yeah, we're fifth again. I think the last few years we were fourth, fifth, fifth, so hopefully next year we can get to the top four on the final day.
