TEAM CHAMPIONSHIP

Q. Good battle out there. It was nip and tuck all day.

DUSTIN JOHNSON: It was. I mean, it was fun. Obviously that's what you want. It was close. It came down to the last couple holes. I felt like I hit a couple really good putts that didn't go in. But the one on 17 was -- obviously hurt a little bit because I hit a really nice putt. It hit the high-side lip rolling slow, and obviously we were two back at that point with one to go.

But obviously 18 is a difficult hole, and I obviously didn't hit a very good tee shot. But you knew it was going to be tough to make up two shots on one hole.

Q. How much were you checking the scoreboard?

DUSTIN JOHNSON: Oh, yeah, especially at the end we were watching because it was so close. I was definitely watching there at the end, and there were scoreboards everywhere. It was fun, though. That's what you want. It was really close all day. All four teams had a chance coming down the stretch. There's not really any more you can ask for.

Q. I know I asked you this yesterday, but now that it's done, being so competitive, getting to the top tier, does that change the way you look at the season or not?

DUSTIN JOHNSON: I mean, obviously today we all played well on the last day, which was what we struggled with all year was all four playing good at the same time. So obviously it was nice to be in the mix all day and have a chance to win come the end.
