TEAM CHAMPIONSHIP

Q. That was a hell of a run you guys put on this week. How would you sum it up?

SCOTT VINCENT: Amazing, unreal. Yeah, I think just a cool way for us to just end the season and end this year. Three amazing guys with me on the team, and I love each and every one of them, and just grateful that we've had this journey. Overall it wasn't what we had hoped for, but probably the best ending we could have. So yeah.

Q. How much were you watching the leaderboard? It was topsy-turvy.

SCOTT VINCENT: More than I should have because I try not to typically, but it was hard to avoid it. They played so good today. I was just kind of hanging on and managed to get a couple at the end there, but they played really well and put us in a good spot. It was great.

Q. What's your plans now? Are you playing International Series?

SCOTT VINCENT: I'm going to go home, I'm going to go see my kids, go spend time with my wife --

Q. I didn't mean to get you too fired up.

SCOTT VINCENT: I know what you're saying. Asian Tour and work on the game and see where it goes.
