MICHIGAN

Q. Louis, congratulations. That was a statement win today. Not only did you knock out the defending champion team Ripper, but also that playoff in Adelaide, just to bring it right back. How much of that was motivation for you guys today?

LOUIS OOSTHUIZEN: Well, I don't really think about it. Obviously it feels good now, but we knew we had to play well against them. Me and Charl started slow, and then really picked up the pace and started playing some good golf.

Branden played well, as well. He ran up against Cam being Cam, playing very well, and then I didn't see much of Dean's scoring, but I would always think between the two of them, there would be a lot of birdies between him and Lucas.

Just chuffed that the boys pulled through and we can see where we can go now.

Q. This lineup you had today seemed pretty successful. Maybe spill some beans; is the lineup going to be the same for you tomorrow? Are you going to be the foursomes?

LOUIS OOSTHUIZEN: We're probably going to change it up completely.
