TV Quick Quotes

Q. Adrian, you just beat the best player in our league. You got a huge point for your team. What are the thoughts running through your mind right now?

ADRIAN MERONK: It feels really nice. I know it's going to be a hard match. We were going back and forth. It was very enjoyable, and I really enjoyed it. I'm glad I got that point.

Q. You can only control your game, but how aware were you of what's going on with the other two matches?

ADRIAN MERONK: I kept looking at the leaderboard. I knew the boys were playing well. Obviously a disappointing finish for a foursome, but I think Richard is doing quite well. Hopefully he can close it.
