## HyFlyers GC Phil Mickelson TV Quick Quotes

# MICHIGAN

**Q. I have a very happy Phil Mickelson here. That was an absolute master class I saw. What made the difference because you and David were so close all day?**

PHIL MICKELSON: He has so much firepower. You saw him drive it a yard off the 18th green. He drives it a yard off the 1st green. He just has so much firepower, so much speed, and he's such a great short game player. I knew I was going to have to make a lot of birdies.

I kind of stalled there for a little bit. I ended up making six or seven, but I felt like I needed to make nine or ten to have a chance to beat him.

I'm very excited for myself and the team. I'm excited about the way Camo played, about Andy and Steeley and Andy's wrist being a little better because he's got so much game. I'm excited for our team.

It's a big thing for us. We've been playing hard all year. We've had some setbacks. I just really believe what this team is capable of. We had a really good first half of the season. We haven't had the results we wanted. We've been fighting a few things. This is a big day for us.

Gosh, this is a really fun format too.
