# MICHIGAN

**Q. Brooks, you don't win five major championships without having every trick in the book. It looked like you were trying to get yourself, your group on the clock. You succeeded. Was that a statement about the fact that you didn't get the draw that you wanted yesterday?**

BROOKS KOEPKA: No, it didn't have anything to do with that. It just had to do with, I felt like, I could get more holes in at my pace than I could if we got on the clock early. I think it took us five holes, it wasn't long, but I felt like we could play the rest of the holes at my pace, and I felt like I did.

I didn't putt great. Hit the ball fine, plenty good enough. Yeah, it was a good match.

**Q. You going to change shoes tomorrow? They look pretty dirty. You had to clean them quite a few times early in the round.**

BROOKS KOEPKA: I stopped on the 1st hole to clean them up. Yeah, right, I've got plenty of pairs, don't worry.

**Q. I don't want to hold you up. There's a tight match up ahead. Talor is all square with Bryson.**

BROOKS KOEPKA: I don't know if the other one is finished yet. They're going up 5, I believe. Be done with this thing and go see them.
