#### TV Quick Quotes

**Q. Harold, you've been amazing tee to green. The putter has been the nemesis. You were top 5 today. How great is it to see that?**

HAROLD VARNER III: Yeah, there was a lot of meows out there, figuring it out slowly but surely. Same thing, I'm hitting it well, and it was good to obviously see some go in.

**Q. P-Reed, amazing round. The mentality has got to be everything in these conditions. How did you find it?**

PATRICK REED: The golf course was out there to get. The greens are a little softer I felt like today than it was earlier in the week, so we were kind of really able to attack, and really at this point it's kind of get ready for tomorrow and try and take down my boy.

**Q. Harold, word for the 4Aces, you're playing together. How much are you chasing each other and encouraging the team?**

HAROLD VARNER III: I think we're encouraging each other but on the golf course we're trying to really hurt each other. That's what makes you better. It was just a meow situation where we enjoyed being out there.
