Quick Quotes

Q. David, fantastic first two days. Coming back from injury, how does this feel to be playing so well?

DAVID PUIG: It feels great. Obviously we've been working pretty hard these last couple weeks. I thought my game was in the right shape, and yeah, I've been playing good, and hopefully I'll have a good one tomorrow, as well.

Q. Sometimes it's a great bogey to make on 18 and then you made a good par save here. How important is that going into tomorrow?

DAVID PUIG: Yeah, it's definitely important. I think not playing for a month did something towards the end. Made some mistakes on 17 from like not even 20 feet for eagle and three-putt and got a little quick on that tee shot on 18. But yeah, it was great two up-and-downs to finish, and hopefully, as I said, I have a good one tomorrow.

Q. You're hunting down your first LIV win and also a potential Open Championship spot. What's the mentality going into tomorrow?

DAVID PUIG: Yeah, I knew that since the beginning. It's great to be in this position. I mean, not much, just trying to do the same. I don't hit as many drivers as I'm used to, I would say, on this course, so just trying to put the ball in position, and from there, trust my short game and hopefully make a bunch of birdies.
