Quick Quotes

Q. It was a great day, 68. You got in the playoff. How would you sum up your day?

JINICHIRO KOZUMA: I had a great day today. On the 18th I bogeyed, so that was kind of a little letdown. But still, all in all, it was really great, and I'm really satisfied with the day today, how it went today.

Q. This was not an easy course and yet you played it really well. Not only this year but last year, too. Why is that? What do you like about Maridoe?

JINICHIRO KOZUMA: The greens, I think I can read them better compared to other places. The putting this week and even last year, I was doing really well. I think that was the key to success.

Q. You came back off your back injury, missed five events, yet you've been playing really well. You must be very happy with your form.

JINICHIRO KOZUMA: At the time when I had to take some time off, I was a little worried how I would come back and play. But it actually paid off. Right now I'm playing really well. I hope I play better in the other events coming up.
