TV Quotes

**Q. Talk us through what went really well for you today.**

SEUNGSU HAN: I putted well today, so that helped a lot. I felt a little bit rusty all day, but putts dropped, so I think I got the job done today.

**Q. What was your mindset coming into the Promotions event this week?**

SEUNGSU HAN: I was really excited to be here. My brother is here this week with me, so just the opportunity that's ahead, it's very exciting. I like being here. I came here a few years ago during the HSBC, and just happy to be here and to have the opportunity.

**Q. Jaco, I have to ask you about that last shot on the 18th, the decision behind deciding to hit that shot, but also, how is your wrist doing?**

JACO AHLERS: The second shot, the cactus? A little thorny maybe, but it's okay. No, I tried to go left at it, and my caddie talked me out of it. At the end, it was the right decision. Unfortunate that third. But I like where I sit. Should get the job done. That's what we wanted today.

**Q. This is a huge opportunity, a lot of golf left to be played, but what would this mean to you if you make it into the 2024 LIV Golf League?**

JACO AHLERS: This is career changing. I've had a pretty long career, played in South Africa, played in Asia, played in Europe, everywhere. It would be nice. It's a career-finishing moment, so it would be nice. Do a Scott Vincent, get on and get top 24 and you never know how long you could be there. It's a really great opportunity, and playing around this amazing golf course is also good.
