## Kieran Vincent

TV Quotes

**Q. Kieran, it's been a long day. Looks like we'll be seeing two man buns on the LIV Golf League next year. We've only had one other sibling situation in Brooks and Chase. You're going to be competing with and against your brother, Scott Vincent next year. How excited are you about that?**

KIERAN VINCENT: I mean, I don't think words can put it together. It's going to be awesome. Yeah, I'm just excited.

Next year is going to have its own opportunities, its own fun, just like today. A lot of guys battled so hard out there, and I'm obviously just so grateful to be on the winning side of it.

Credit to a lot of people. Just thank you to my team, and obviously excited to play with my brother next year. It's going to be awesome.

**Q. This is a life-changing opportunity. How much does it mean to you?**

KIERAN VINCENT: I don't think the tears are doing it justice. Obviously it's just one of those experiences that -- obviously watching my brother the whole year, seeing how life-changing it can be, I just hope that this propels my career to a whole new level, obviously go on a tour where you can learn so much from so many cool guys. Obviously having Jon Rahm recently signed, it really doesn't get much better than that.

Hopefully I'm going to look forward to next year, take all that I can in, play well, and just have some fun.
