PROMOTIONS 2024

**Q. Max, congratulations, you are the newest member of the LIV Golf league. I'm going to let that soak in for a second because it's been a grueling home stretch for you. You've been through so many ups and downs in your career, so many sacrifices, so much dedication. This is a life-changing opportunity; how is it going to change your life?**

LEE CHIEH-PO: Actually I played very good this year, and coming into this event I just do my best. Actually last week I didn't play very well, but I just told myself, stay calm, stay focused, and focus on every shot.

I think I'm very lucky today, and thanks, everyone.

**Q. I think it was more than luck. You're going to be the very first Taiwanese player in the LIV Golf league. How proud are you to fly that Taiwanese flag?**

LEE CHIEH-PO: Yeah, it means a lot to me because I was playing on the Asian Tour many years, and LIV Golf, I think it's every player's goal, every player's target. I really hope Asian Tour players can go to LIV Golf because they can give more power.
