### Quick Quotes

**Q. Jazz, you'll go into the final round with a chance to capture one of those three spots. What was the mindset today? How do you feel like you played, and what will be the mindset tomorrow?**

JAZZ JANEWATTANANOND: Mindset every day is the same thing. Just play good golf, try to hit fairways, try to hit greens and just be smart about it. Don't get too greedy. I think I did a pretty good job today, so just try to do the same thing again tomorrow.

**Q. Seems like the way Richard has been playing, no let-up in his game. It's like the rest of the field is playing for those other two spots. How do you feel about the chances?**

JAZZ JANEWATTANANOND: I mean, we're not playing for one spot. That's one thing. So I don't have to worry about him. I just have to worry about myself. Just again, like I say, just be smart with my golf and just ball placement.

**Q. What would it mean to your career to grab one of these three spots?**

JAZZ JANEWATTANANOND: I mean, it's a very big prize at the end of the day. Those three spots up for grabs, it would give me freedom to play wherever I want and security for my family.

**Q. Coming into this week, how would you rate your form? Did you expect to play well, especially after seeing this course?**

JAZZ JANEWATTANANOND: I mean, I've been trending the last -- end of last year, I've been playing a lot of the International Series on the Asian Tour, so my game has been trending, progressing. I'm just trying to add on every day, just try to be a bit better.
