Q. All right, I'm here with Nelly after her second round. Can you just talk about your round, the day you had today?

NELLY KORDA: Yeah, a little up and down. Had three bogeys on the card, which I feel like out here is not the best with it being kind of gettable.

So couple mistakes at the beginning, and then obviously ending my round with a bogey didn't feel great. But overall, you know, still kept it under par, and hopefully I can give myself a shot at the weekend.

Q. How do you feel about the conditions today compared to yesterday, playing in the morning?

NELLY KORDA: They were very similar. I think in the morning it just didn't fly as far, but then once it warmed up it was very similar. I mean, the wind wasn't strong at all. I think it got a little bit stronger towards the end of our back nine.

Other than that, very similar to yesterday.

Q. Did you notice any major differences in the set up today compared to yesterday?

NELLY KORDA: No, I think yesterday they had a couple pins that were more on the front of the green; while today they were definitely using more pins deeper into the green.

I would say that's the only thing. And then par-3s are pretty tough out here, but all the par-5s are pretty gettable.
