## Carlota Ciganda

### Quick Quotes

**Q. All right, Carlota, just walk you me through this final day, and how are you feeling after four days here in Arizona?**

CARLOTA CIGANDA: Yeah, it was a tricky day out there with the rain, and I just felt like the ball wasn't flying much. It was is completely different day to the last few days.

Yeah, I didn't start the way I like with couple birdies on those first few holes. I mean, I battled. I fought hard. When you can't win, if you can finish second or third I think it's a good week.

Nelly, she's just playing amazing. It's just incredible what she's doing, and just congratulate her. Unbelievable.

**Q. Overall the way you talked about your start, what does it say about the grind and the resilience you had to not let that get to you and be able to finish the way you did?**

CARLOTA CIGANDA: Yeah, I'm a fighter. I'm going to fight until the last hole, the last putt. That's just who I am and how I play golf. I just try my best in every shot so that's what I do every day.

Today wasn't enough, but I feel I'm getting close spa happy where my game is at.

**Q. What do you take from this week with a stroke play and match play kind of event in front of us?**

CARLOTA CIGANDA: Yeah, I really enjoy the match play so hopefully I can make it to the weekend and play the match play.

Yeah, just want to relax tonight and probably tomorrow and then reset for next week for an early start on Wednesday. Yeah, really enjoy Shadow Creek. It's a great golf course, and hopefully I can have another good week there.
