**Q. We are joined in the flash area by Frida after her second round at the Ford Championship presented by Wild Horse Pass. 4-under 68 today. Currently at the top of the leaderboard; Lydia is yet to go off. Just talk about your day today and a little bit of the difference in playing in the afternoon yesterday and the morning today?**

FRIDA KINHULT: Yeah, obviously happy with the overall score so far. I bet Lydia is going to go out and crush some birdies out there and I'll have to catch up on the weekend, but, yeah, no, overall very happy.

Course played a little bit softer I would say this morning compared to yesterday afternoon. Maybe a couple more tucked pins today. Yeah, I played very solid tee to green. Didn't have my best day on the greens but I'm not complain over a 68.

**Q. I was about to mention that. 31 putts; like you said, maybe not the best day on the green but ball striking was still there. Is that still a net positive for the day?**

FRIDA KINHULT: Definitely. I would say my approach game was really solid today. I think I had like 12 chances inside 15 feet. We'll just continue trying to hit the ball good and hopefully more putts will drop over the weekend.

**Q. Then going into this week, it's going to take a lot of birdies to win. You mentioned you're an aggressive player. Being at the top of the leaderboard, does that change anything or is it just same mindset?**

FRIDA KINHULT: I would say same. Again, girls this afternoon or next couple hours are going to make birdies out there. I'm sitting up there right now, but not expecting it this afternoon, which is probably good. Couple behind maybe or a few behind going into this weekend, and just keep going, being aggressive, and try to make birdies out there.
