Q. All right, here with In Gee Chun after her second round of the Ford Championship presented by Wild Horse Pass. Very solid round from you today. Just take us through it, especially the stretch of four birdies in a row.

IN GEE CHUN: Yeah, I think it was good round today. I just tried to trust all the process out there because I went Vietnam for the winter training; I work hard, especially our team did work hard.

So I tried to trust all about that. I think it came out, just the good result out there.

Q. What was some of that training you did over the winter?

IN GEE CHUN: After I change my swing I never had a back pain, which is I'm really happy, so then I could try work hard and hard. So, I think just that's it.

Q. A lot of birdies on your scorecards over the last two rounds. What is it about this course that has allowed you to make as many birdies as you have?

IN GEE CHUN: When I saw the leaderboard yesterday everyone had a really good round I felt, so I just before the start of round I just did self-talk. In Gee, you can do it; you can make a lot of birdie, too.

So just trust my game.

Q. What's the mindset heading into the weekend knowing you're up there towards the top of the leaderboard?

IN GEE CHUN: It is just my second tournament in the season. I mean, I said I tried to trust all my process, what I did during the winter training.

I think I'm stick with that. So just keep going and then focus on what I can do. I think that's my goal this season.
