Q. Talk about your round today compared to yesterday.

HYO JOO KIM: I had such a different round compared to yesterday. In the beginning, I had so many mistakes and had such a different tournament than yesterday. I tried my best to focus on everything to try make birdie opportunities in the later half.

Q. How did you get over those bogeys and play better in the back?

HYO JOO KIM: I felt like I bogeyed holes I shouldn't have bogeyed in the beginning so wasn't super happy about that. But I knew I had remaining holes and birdie opportunities, so I tried my best to lower my score in the back.

Q. You won here last year and you won last week, kind of talk about all the winning going on?

HYO JOO KIM: Yes, I did indeed win last year and last week and I'm not playing too bad right now. I think I just need to have a positive mindset to finish off this week.

Q. Do you think the experience from last year will help you this year?

HYO JOO KIM: I think I'm going off of the good memories to have a positive mindset.
