### Quick Quotes

**Q. Here with Mimi Rhodes after her final round here at the Ford Championship presented by Wild Horse Pass.**

**A great round for you, great week altogether. Take us through some of the highlights.**

MIMI RHODES: Starting off today was, yeah, pretty cool, starting off birdie-eagle. Yeah, I just kind of had to -- I learned a lot today how to deal with emotions out there. On the back nine not many putts were dropping, but I was still staying patient out there and playing good golf. Some days they don't drop, and that was today.

Yeah, I'm really proud with how I started the day. Yeah, overall really happy with my game.

**Q. Obviously very young into your LPGA career, fourth start, second top 10. How good does it feel to get off to a hot start on the LPGA tour?**

MIMI RHODES: Yeah, it feels great. Like I've said before, I've always known my game is strong, but it's nice to compare against the best in the world. Back in Singapore we didn't have all of the best in the game, so it was nice to play well this week against everyone on a really tough golf course.

**Q. A lot of great players in the field next week, a great course. How excited are you to tee it up at Shadow Creek?**

MIMI RHODES: I'm very excited, especially now that I've got my driver back and am hitting fairways, and yeah, just comfortable with my whole game in general. I like playing a lot in a row, so I'm excited for next week, and hopefully have a good week.

**Q. What have you heard about Shadow from the other players?**

MIMI RHODES: I've heard some good and bad things about it, honestly. But no, it's an amazing place, so I'm just going to soak it all in and try and play some good golf. If

not, still have fun in Vegas, you know?

**Q. About next week, another co-sanctioned event with the LET. How excited are you to see some of your old pals?**

MIMI RHODES: Yeah, it's kind of weird honestly because I haven't seen them since Saudi, but I'm looking forward to seeing them and hanging out because out here we -- I've got a few LET friends from last year, but not all of them, so yeah, I'm really looking forward to going back.
