Q. I'm sure there's disappointment from today, but when you look at the season as a whole, it's been a pretty good performance so far. What do you take from today's final round?

NELLY KORDA: Yeah, I mean, Jay was walking up 18 and he was like, we're playing some amazing golf. It's not time to deflate, it's time to inflate, so continue moving on with the positives, and trying to keep putting myself into that position and knocking on the door.

Q. Was there a turning point today when you look back on that final round?

NELLY KORDA: Where it went wrong? I mean, there's a couple shots here and there that I would like to get back, more like a couple putts throughout the week. But yeah, that's golf. I'm going to make mistakes. I'm going to miss a bunch of those putts throughout my entire career, and I just can't get down on myself.

Q. How about Hyo Joo Kim and what she's been able to do the last couple of weeks?

NELLY KORDA: I'm done playing with her. I'm just kidding.

Hyo Joo has been playing amazing golf. It's been really inspiring to see. Playing with her, I definitely elevate my game. She's just a phenomenal player and person, too. She's fun to play along, and she definitely motivates me out on the golf course.
