Quick Quotes

Q. All right, I'm here with Hae Ran Ryu after her first win on the LPGA Tour. How does it feel right now?

HAE RAN RYU: I'm so happy because always I think -- winning in the first of the year, but, yeah, it's first time I'm playing in Arkansas. It's wonderful course. I'm pretty good player, so, yeah, so happy.

Q. Were you checking the leaderboard at all throughout the round? Were you paying attention to it?

HAE RAN RYU: Yeah. But last three holes I try to not see the scoreboard. Just focus on my play. Yeah, and I made two more birdies. Yeah, it's more confidence.
