### Quick Quotes

**Q. Yeahlimi, what a great round. How do you feel having the three rounds in?**

YEAHLIMI NOH: I feel good. I played all right today. I didn't play as well as I hoped and the last hole really sucked, but overall it was good. Yeah.

**Q. Is Cambia one of your favor tournaments? Because last year you also played really well.**

YEAHLIMI NOH: Yeah, uh-huh.

**Q. What is it about this course that you love so much?**

YEAHLIMI NOH: Yeah, I definitely love the course and like the area in general. Portland is so nice. Today we had amazing weather, which is so great. I really like the setup of the course. It's pretty narrow. I really love the grass. It's always so flush and just amazing here.

They keep it in really good shape.

**Q. Your game is really good. What are you thinking about in terms of the rest of the 2020 season? Which tournaments are you thinking about going to?**

YEAHLIMI NOH: So my next event is ShopRite and then KPMG. I'm going to play everything I can play obviously because of this year.

But, yeah.

**Q. After this tournament is there anything in particular you want to work on?**

YEAHLIMI NOH: Uh-huh, yeah. My putting for sure. It's getting there, but it can be better. Yeah.

**Q. Lastly, your mom was out there. How does it feel to have her there supporting you, especially because there aren't any fans?**

YEAHLIMI NOH: Oh, yeah it's good. Feels really familiar

because she was always there watching since junior golf, so it feels nice to have her there and clap sometimes.
