Quick Quotes

Q. You had another good round today, 2-under. What are your thoughts on your round? How did you play?

JEONGEUN LEE6: Well, my shot was better than yesterday. I kept green a lot, so I had a lot of birdie chances.

But I made one three-putts that's so bad, but, yeah, I played well. Yeah.

Q. And you had a nice up and down here to save par on the last hole.

JEONGEUN LEE6: Yeah, last three holes very tricky holes. So well done, yeah.

Q. David said tricky holes. The wind was changing a lot.

JEONGEUN LEE6: Yes.

Q. Did the wind play a factor in your round today?

JEONGEUN LEE6: Factor?

Q. Did it affect your round, your play?

JEONGEUN LEE6: Yes, in back nine. The front nine is okay. Back nine is windy, yeah.

Q. So more windy later in the day?

JEONGEUN LEE6: Yeah.

Q. How does that change? How do you have to think your way when the wind is a problem?

JEONGEUN LEE6: If wind strong my rhythm is going to be a little bit (indiscernible), so little bit slowly rhythm, and then the ball flight a little bit low. Yeah.

Q. Okay. So you're done today. You're still a few strokes off the lead and it's going to be tough this

weekend with more rain and wind.

JEONGEUN LEE6: Yeah.

Q. How do you get ready for that challenge?

JEONGEUN LEE6: Yeah, I think it's going to be tough round so I'm ready just short game, the putt and the chipping. Yeah.

Q. One last question: I saw on your Instagram that you graduated from college.

JEONGEUN LEE6: Yeah.

Q. Yeah? You have to be proud about that.

JEONGEUN LEE6: Yes, I proud of myself, yeah. Thank you.

Q. You're welcome. How long did that take you to finish up?

JEONGEUN LEE6: Six years.

Q. Okay.

JEONGEUN LEE6: Yeah, six years.

Q. Happy for yourself?

JEONGEUN LEE6: Uh-huh, of course.
