## Hannah Green

### Quick Quotes

**Q. Here with Hannah Green after her first round. First question is: I want you to think back to your win in 2019. Is there anything different out here, unexpected for you maybe from the year that you won?**

HANNAH GREEN: No, I don't think so. I didn't get off to the best start. I actually bogeyed the third hole today and then I bounced back and made a nice putt on the next hole.

So I guess just remembering putts that I've made while I've played other championships other years, it's just nice to have those fond memories.

Luckily I have more fond than I do bad, so hopefully I can just ride that more the rest of the week.

**Q. Yeah, that first bogey, after that you had just a string of birdies in a row. Just tell me how you sort of picked yourself up and what you learned from maybe that one bad shot that you took with you?**

HANNAH GREEN: Yeah, I didn't even feel like I hit a bad stroke, so I guess just making sure that I don't get too upset.

I think it's pretty easy to do that here at Columbia. Yeah, made a nice putt so the hole felt a lot bigger, and then hit some good shots in and made some close putts.

So I think I felt most confident on the greens than I have in quite some time, so not sure if that's just because I'm reading them better and seeing them go in, or just from what I remember from previous years.

**Q. I know. You said earlier this week that the green reading has been maybe a challenge for you. Glad you feel better about that. I heard the greens were trickier today than the rest of the week.**

HANNAH GREEN: Yeah.

**Q. How do you manage that?**

HANNAH GREEN: Yeah, I felt like they were definitely quicker than probably the practice greens. I guess as soon as you have a downhill putt you can't be too aggressive, and some of the holes got a little bit firm and probably released a little bit more than what players would've expected.

So it was kind of nice to also learn off what the others were going as well during the round.

**Q. Right. What are you looking to take into tomorrow after today?**

HANNAH GREEN: Just keep the momentum. Unfortunately made a bogey on the last, but don't want to dwell on that. I guess I didn't hit a great shot, but I also got unlucky where I finished up.

Yeah, just keep the momentum. Only missed two greens today, so I can't be too down on myself. Yeah, just keep giving myself opportunities, and, yeah, hopefully continue to hole those putts.

**Q. I know it's the first day, but does being in the lead mean anything to you at this point in time or change any game plans at all?**

HANNAH GREEN: I guess it just makes me sleep better at night. You know, I think the scoring will be rather low. I could honestly see the winning score at the end of the week be in the 20s.

I just got to continue to do what I'm doing and not get caught up in it too much. Yeah, I'm pretty happy to be in this spot.
