Quick Quotes

Q. Here with Esther Henseleit who had a great final round today. Going to be a little bit short. Overall you had a tremendous week. How satisfied are you with how you played this week?

ESTHER HENSELEIT: Yeah, really happy about how I played, especially today. I handled myself very well.

I mean, been in contention basically until the last hole, so, yeah, I'm pretty happy.

Q. Was there something about Columbia Edgewater that seemed to suit your game? What do you think brought on this strong play this week?

ESTHER HENSELEIT: I really like tree-lined courses. I think the focus is pretty good when I play this kind of course.

My putter was pretty hot this week, especially in the second round; also today. Yeah.

Q. Were you watching the leaderboards to know where you were? Things bounced around a lot and we had a lot of players tied for the lead throughout the day.

ESTHER HENSELEIT: Yeah, I mean, that's kind of what I expected after yesterday. There were so many players that were in the game for the win, so, yeah, I knew I needed a low one.

I did look at leaderboards, but, I mean, it was just moving so quickly, so I just tried to concentrate.

Q. You've played a lot of golf this year. What does your -- we're getting close to the end of the year. What does your schedule like look like?

ESTHER HENSELEIT: I'm playing the next three weeks, and then kind of depends if I get into the Asian tournaments. Yeah, basically everything if I get the opportunity.

Q. Are you tired?

ESTHER HENSELEIT: I am, but I had some nice rest after the British back home.

I took last week off, so I feel pretty rested and hope it's going to stay that way.

Q. What do you take from a week like this that you learn as you look toward to the rest of the year and more importantly, immediately to Walmart next week?

ESTHER HENSELEIT: I just know that I can shoot low rounds under pressure and I can play well and hit good shots under pressure.

Also, I've been struggling a lot with my putting, so it's good to see that come together like it did. I'll just try to keep on doing my practice drills and everything and hope it stays this way.
