### Quick Quotes

**Q. All right, here with judge Juli Inkster after the second round at The Standard Portland Classic. Talk about today's round for you.**

JULI INKSTER: Yeah, wasn't very inspiring. I didn't drive the ball as well as I did yesterday. Kind of a grind out there today. I hung in there and grinded and shot a couple over.

**Q. Talk a little bit about what was going through your head, especially going to the back nine.**

JULI INKSTER: You know, I was just trying to find some type of swing. Holes three, four are some pretty tough holes out there. Bogeyed both of those and I had a couple par-5s coming up and played them kind of sloppy. So, yeah, wasn't really one of my best days.

**Q. And we don't know for sure yet, but if you make the cut -- we're going to keep an eye on the cut line -- but you would be the oldest player to make the cut, surpassing JoAnne Carner. What would that mean?**

JULI INKSTER: I frigging love JoAnne Carner. Yeah, just kind of means that I have a passion for the game. I love the game. You know, I'm really happy I played this week. Kind of when I signed up was kind of like, what are you going? I was free, I was out there with Hannah Green and Stacy and had a great time.

Just love watching the young kids swing. I mean, it's so impressive. I think the game is in a really good shape and happy to be here.

**Q. What's it been like to see players on the fairways and greens and if they recognize you what kind of memories...**

JULI INKSTER: Most of them think I am JoAnne Carner, so...

You know, I know a lot more caddies than I do players, but I still -- I have a lot of respect for them. It's really a hard game and you have a lot of ups and downs, so how you

manage that -- for these I don't think kids to do that is pretty impressive.

**Q. What have you seen in your game that you can carry over? You said you're using this week as prep as well.**

JULI INKSTER: I feel like I'm putting pretty good. My irons are pretty good. Got to shore up my rescues and fairway woods a little bit.

Yeah, I think it was really good for me to play, whether I win or lose next week, whatever. I'm glad I put myself out there.

**Q. Were you aware at all of the cut line while you were playing and where you were at?**

JULI INKSTER: Yeah, a little bit. Yeah. Yeah. I mean, I knew if I could get to 1- or 2-under I would make it; 1 might be a little iffy.

I did the best I could out there. Yeah, wasn't really pleased with the way I drove the ball on the back side or my front side. Hopefully there is tomorrow and I can improve.
